
KAREN GIRL FRIDAY

When face-to-face with the unthinkable, you need a safe refuge. Karen Friday has lived the harrowing ordeal of being followed.

But what if the follower has your best interest at heart? What if his presence provides security and assurance? What if God—out of His great compassion—enlists followers who carefully watch over you?

Karen engages audiences with the theme of her upcoming book. *Followed: Relentlessly Pursued by Goodness and Mercy*

Karen has loved speaking as long as she can remember. She thrives in moving an audience to experience laughter, tears, surprise, and reflection. Whether speaking, writing, or blogging, Karen's fondness for words and her adoration for God's Word runs deep.
